WE

Welcome to August, WOGFC Family!

As we begin this new month, we do so with grateful hearts and renewed expectation. God has been faithful through every season, and He continues to lead us with purpose, grace, and direction. August gives us another opportunity to strengthen our faith, deepen our connection with one another, and remain open to what God is doing in this house.

As a church family, let's keep moving forward with confidence. Continue praying, continue serving, and continue believing in what God has spoken over your life. What may look unfinished is still developing, and what others may overlook, God still sees. Stay encouraged. Stay committed. God is still writing your story, and He always finishes what He starts.

A Special Thank You From Pastor Mitch & Dr. Shantel Summerfield

Night of Celebration

WOGFC Family and Friends,

From the bottom of our hearts, thank you for joining us Sunday evening for our Night of Celebration. We had a wonderful time in the presence of the Lord as we celebrated God's faithfulness and 40 years of ministry as a church family.

Your presence, prayers, encouraging words, love, and generous gifts made the evening meaningful and memorable. We are deeply grateful for every person who served, supported, attended, and helped make the celebration possible.

Thank you for walking with us, loving this ministry, and continuing to believe in what God is doing through Word of God Fellowship Church. We truly appreciate you and do not take your support for granted.

With sincere love and gratitude,

Pastor Mitch & Dr. Shantel Summerfield

This Week's Message

Don't Sleep on Me

Scripture Reference: *Genesis 37:5–11 (NIV)*

Pastor Mitch Summerfield delivered a powerful and encouraging message reminding us that what others see today does not determine what God has planned for tomorrow.

Through the life of Joseph, we were reminded that God often reveals purpose before our surroundings reflect it. Joseph had a dream that was greater than his present reality. His brothers responded with jealousy, disbelief, and resistance, but their reaction could not cancel what God had already spoken.

Pastor shared five markers that explain why people should not sleep on what God is doing in your life:

1. Don't Sleep on Me Because God Sees More Than You See
2. Don't Sleep on Me Because My Dream Is Bigger Than My Reality

3. Don't Sleep on Me Because Pressure Is Producing Me
4. Don't Sleep on Me Because God Is Working While You're Watching
5. Don't Sleep on Me Because God Always Finishes What He Starts

The message reminded us not to allow jealousy, criticism, or our current reality to make us doubt what God has spoken. Stay faithful through the process. Your dream is still alive, and God is still working.

Sermon notes and study guide were sent out on Monday!
