WE

Welcome to another week, WOGFC Family!

As we continue through the month of August, we're reminded that God is always working, even when we don't immediately recognize it. His provision often arrives before we realize we need it, His promises remain steady through every season, and His purpose continues unfolding one step at a time. Sometimes we're praying for God to do something new, while He's inviting us to look again at what He's already placed in our hands.

As a church family, let's keep moving forward in faith, trusting that God is preparing us through every experience. Stay prayerful, remain faithful, and don't lose heart. What He's begun in your life is still unfolding, and His plans for you are greater than your present circumstances. Before you give up, before you turn around, and before you lose hope... remember to check your bag. God has already been at work.

This Week's Message

Check Your Bag

Scripture Reference: *Genesis 42:27 (MSG) & Nahum 1:9 (NKJV)*

Pastor Mitch Summerfield delivered a timely message reminding us that before we become discouraged or ready to quit, we need to take inventory of what God has already provided. Just as Joseph's brothers discovered that the money they thought was lost had been placed back into their bags, we were challenged to recognize that God's provision is often closer than we realize.

This message has 4 key points:

1. God Has Already Provided What You Need

2. Don't Let Fear Keep You From Moving Forward
3. Your Past Doesn't Define Your Future
4. God Is Using the Process to Prepare You

The message reminded us don't quit before you check your bag. God has already placed provision in your journey, purpose in your process, and victory beyond your past. What He started, He will faithfully bring to completion.

Sermon notes and study guide were sent out on Monday!
