WE

Hi, WOGFC Family!

As we continue through August, take a moment to remember just how intentional God is concerning you. In the middle of busy schedules, responsibilities, unanswered questions, and plans for what comes next, it can be easy to lose sight of a simple truth: you are on God's mind. He sees where you are, knows what you need, and remains present in every detail of your journey.

As a church family, let's move through this week with that assurance. Stay prayerful, stay connected, and continue trusting God with what you cannot yet see. You are not forgotten, overlooked, or outside of His plan. The same God who holds the universe together is mindful of you, your family, your future, and this house. Rest in His love and keep moving forward knowing His thoughts toward you are good.

This Week's Message

The God Who Thinks of Me

Scripture Reference: Psalm 8:1–4 (KJV) & Jeremiah 29:11 (KJV)

Elder William Vaughn ministered an encouraging Word reminding us of an incredible truth: the God who created the heavens, knows the universe, and holds all things together still thinks about us.

Psalm 8 causes us to consider the greatness and majesty of God. When we look at everything He created, it can be difficult to comprehend that a God so great would remain intimately concerned with us. Yet Scripture asks, “*What is man, that thou art mindful of him?*” We serve a God who is both mighty and personal. We are seen, known, remembered, and loved by Him.

This message has 4 key points:

This message has 4 key points.

1. He Is Majestic, and Yet He Thinks of Me
2. He Gives Strength Through the Unlikely
3. He Designed the Universe, and Still He Knows Me
4. He Has Good Thoughts and a Plan for My Future

This week, allow that truth to strengthen your faith: **God thinks about you.** When you feel unseen, remember He sees you. When the future feels uncertain, remember He already has a plan. And when life feels bigger than you can handle, remember that the God who holds the universe is still holding you.

Sermon notes and study guide were sent out on Monday!
