- **MISSIONS:** On July 12th, Susan Workinger from LikePath Christian Ministries will be here to update us. They have been a long-term and valued partner of ours. Currently they are in the process of rehabilitating an old industrial building to better serve those in need. The work they do to assist our homeless, and less fortunate, brothers and sisters is amazing. Please invite your friends and neighbors to join us.
- **BLOOD DRIVE:** Attention! Red Lion Zion will be having a summer blood drive on July 15, 2026 from 2pm to 7pm. Please mark your calendars and if you feel well come & share the gift of life. There is an ongoing shortage of blood, so every pint counts! I will not be serving soup, but there will be goodies available. So come share the fellowship and save a life! For questions please see Winnie.
- **HOW IS YOUR FURNACE?:** Our sanctuary furnace is more than 60 years old! The last few years we have been blessed to start it when needed, but it is tired and inefficient. The Board has designated replacing the furnace as the priority on our asset reserve list. The cost is \$8,000 and through your support and prudent planning we have \$5,000 earmarked for this project. Therefore, we are requesting second-mile gifts to fund the \$3,000 difference to complete this project. The new furnace will be more efficient, resulting in lower gas bills. If you are able to contribute, please do so by June 30th.
