TRINITY STUDENTS

Overcoming Walls to Witnessing

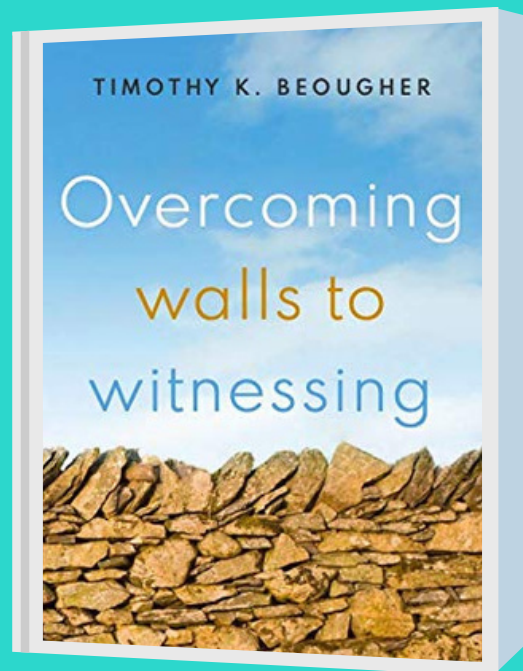

BY TIMOTHY K. BEOUGHER

As your student heads into a new school year, this resource offers practical encouragement for sharing the gospel in everyday life. Beougher clearly unpacks the Great Commission and thoughtfully addresses common “hurdles” believers face in living it out. Grab a free copy from Pastor David and go through it together with your student to help them grow in confidence and faithfulness in evangelism.

“The first resource God has provided is power. Power overcomes our fear of inadequacy. Boldness is God-given courage which overcomes fear and produces freedom in sharing the Gospel... We tend to focus on the strategy and forget the power! But the strategy is worthless without the power. This requires a continual infilling of the Holy Spirit.”
– p 13.

Happenings

Events & Opportunities to Serve:

August 28-29

Source - Source is our annual kickoff event that launches the new school year. It's a great opportunity for incoming sixth graders to get connected and become familiar with the student ministry, while giving all of our students a chance to begin the school year centered on the gospel. If you're willing to host, provide snacks, or offer rides, please contact Pastor David.

Starting Sept 13

Join us each Sunday evening @ 5pm as we continue our study in the Gospel of John. We will pick up in John 6.

October 25

Trunk or Treat - Needs for trunks to hand out candy and for volunteers to do Gospel tent, candy refills, etc. Sign up on Realm closer to event or talk to Pastor Jeff if interested

December 5

Affordable Christmas - Need volunteers for set up (11th & 12th), restock, shopping assistants, wrapping, carrying gifts out to car, tear down, etc. Sign up on Realm closer to event or talk to Megan Trimble if interested.

Sunday Mornings

Kid's Worship needs male students to serve as "crowd control". Would serve once every 4-6 weeks. If your son is interested, contact John Mitchell
