FUNDAMENTAL OF FAITH: BUZZER BEATERS

Key Scripture: Colossians 4:5

“Walk in wisdom toward outsiders, making the best use of the time.”

Big Idea

Buzzer beaters happen when someone recognizes the moment and takes the shot. God gives us moments too. Faith helps us recognize them and move.

1. Am I Aware of the Moment?

We live in Chronos (daily time), but God often moves in Kairos (the right moment).

Am I paying attention to what God may be doing around me?

- Yes, I try to stay aware
- Sometimes, but I get distracted
- Honestly, I'm usually just rushing through life

Where might God be opening a moment in my life right now?

2. Am I Trusting God's Timing?

Sometimes God's timing doesn't match our expectations.

Where have I struggled to trust God's timing lately?

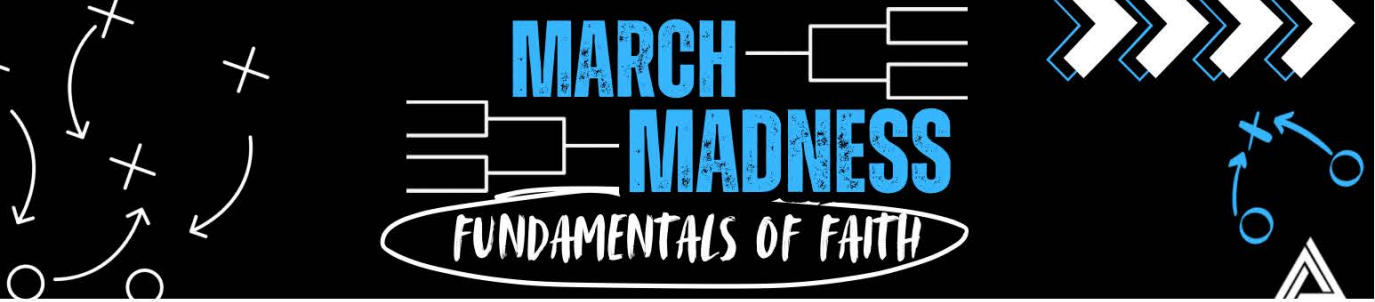

Am I trying to force something... or trust Him with the process?

- Forcing outcomes
- in frustration
- Learning to trust

What would trusting God more look like this week?

3. Am I Ready to Move When the Moment Comes?

The woman with the issue of blood didn't just believe—she moved. Faith and action met in a moment.

MARCH MADNESS

FUNDAMENTALS OF FAITH

What opportunity might God be putting in front of me?

- Encourage someone
- Invite someone to church
- Share my faith
- Pray for someone
- Step out in obedience

What step of faith might God be asking me to take?

4. Am I Waiting for Perfect Conditions?

Ecclesiastes 11:4 reminds us that waiting for perfect conditions keeps us from planting.

What fear or hesitation keeps me from acting in faith?

What would it look like for me to take the shot anyway?

5. Walking With God Daily

Psalms 119:105 says God's Word is a lamp to our feet.

What helps me stay spiritually aware?

- Prayer
- Scripture
- Worship
- Community
- Slowing down to listen

What is one way I can walk closer with God this week?

My Next Faith Step

Where is God inviting me to "own the moment"?

Personal Commitment

I will stay aware.

I will trust God's timing.

When the moment comes, I will take the shot.
