

## FUNDAMENTAL OF FAITH: ASSIST

An assist is a pass that directly leads to a made basket. Your win is my win. If you win, we win.

### 1. Am I a Spiritual Ball Hog?

Exodus reminds us, You can't do it alone

**Where in my life am I trying to carry everything myself?**

---

---

**Am I training someone to do what I do?**

- Yes
- Not yet
- I don't know where to start

**Who is one person I could begin pouring into this month?**

---

---

### 2. Leadership Assist- (Barnabas & Paul Acts 9)

Barnabas vouched for Paul when no one else would.

**Who in my world needs someone to believe in them?**

---

**Am I insecure about someone else succeeding...or secure enough to celebrate it?**

- I celebrate others
- I struggle when others shine
- I need to grow here

**What would it look like to make room for someone else to lead?**

---

---

### 3. Salvation Assist-(Mark 2- Friends lowering their friend to Jesus)

Helping people meet Jesus is work. It requires consistency.

**Who am I actively helping move toward Jesus?**
