I. HIS A_____ (13:1)

“**Horns**” – symbolize strength and power both for attack and defense.

In this passage they represent the great power of kings who will rule under Antichrist’s absolute authority.

“**Ten**” fits the imagery of the 4th beast in Daniel 7:7,24 and is a symbolic number representing all the world’s political and military might.

Antichrist will rise from among these 10 and will not rule merely 10 nations, but the entire world!

Unlike the “7 heads,” which represent successive world empires, all of the rulers symbolized by the 10 horns will rule at the same time as described in Daniel 2:41-44.

“**7 Heads**” = represent 7 successive world empires: Egypt, Assyria, Babylon, Medo-Persia, Greece, Rome, and Antichrist’s final world kingdom.

The 10 crowns indicate the horns’ regal authority and victorious power.

II. HIS A_____ (13:3-7)

“**The Lion**” = was a fitting symbol for the fierce, consuming power of the Babylonian Empire.

“**The Bear**” = The ferocity, strength, and stability of the Medo-Persian Empire led to its depiction as a Bear.

“**The Leopard**” = the Greeks’ swift conquests, particularly under the mercurial Alexander the Great, reflect the speed and viciousness of the Leopard!
