SERMON DISCUSSION QUESTIONS

The Death of Moses • Pastor Brian Zahnd • October 25, 2026

1. What is something you hope to do someday that you haven't done yet?

2) If you could go back and give your younger self one piece of advice, what would it be?

Read Deuteronomy 34:1–6

3) What might the three stages of Moses' life teach us about the way God forms people for their calling?

4) Moses didn't know his true self and his true calling until the final stage of his life. When did you discover your true calling?

Read Matthew 17:1-3

5) Moses represents the lawgiver, but why was Moses law unable to lead us to the true Promised Land of God's goodness and grace?

6) What does it look like for eternity to break into time?

7) Have you experienced a season when it seemed like nothing was happening in your spiritual life? Looking back, can you see ways God was working in you during that time?

8) If the resurrection is the ultimate fulfillment of God's purposes for you and all creation, what difference should that hope make in the way you live today?
