

ACCESSING GIVING RECORDS

In order to access your giving records online, you will need to create an account through Breeze. If you need a new invite, please contact Jami Eggleston at 214-342-6060 or jeggleston@hocc.org.

What is the website?

Once your login is created, you will need to go to the following website

<https://highlandoakschurchofchrist.breezechms.com/login>.

How do I find my giving records?

- Once you are logged in, you should see be on the “Dashboard”.
- Click on “My Profile” on the Menu Bar at the top.
- You should see a menu on the left side (Details, Tags, Attendance, Giving, and Forms)
- Click on Giving and it will show your records down below your profile information.
- It will automatically show your giving records for the **current year**. For your giving records for the **previous year**, just put in the dates for that specific year. For example, put January 1, 2022 in the start date column and December 31, 2022 in the end date side. It should then automatically list your giving for the date range you have chosen. (Note that you can click in the Start Date and End Date fields and click the arrows on top of the calendar and the dates in the calendar to fill the field)
- Then to the right of the date columns, you should see “Download as Excel”. You can either click that to download an excel file or click on the drop-down arrow next to it and it will give you the option to print a statement.
