

Ice Breaker

1. What were some of your big takeaways from this week's CAPS Journal readings?
2. How is your memory work? Can you say your verses from this week?

Central Idea / Adjust

3. Favoritism gives some people greater value because of their wealth, appearance, or status (vv. 1-7). Where are we tempted to do this, and how would seeing people through Jesus' eyes change our response?
4. Loving our neighbor means more than being friendly to people like us (vv. 8-9). Who might we overlook or avoid, and what would it look like to show them genuine love?
5. God's law exposes our sin, and we are called to speak and act with mercy (vv. 10-13). How does remembering our own need for mercy change the way we treat others?
6. Offering kind words without helping someone in need reveals a gap between what we say and what we do (vv. 14-17). What keeps us from turning good intentions into practical care?
7. Even demons believe that God exists (vv. 18-20). What is the difference between agreeing with facts about God and trusting Jesus in a way that changes how we live?
8. Abraham's actions expressed his trust in God, and his faith grew through obedience (vv. 21-24). How is obedience that flows from trusting God different from trying harder to earn his acceptance?
9. Rahab demonstrated her faith through a courageous and costly choice (v. 25). When has trusting God moved you to act despite fear or uncertainty?
10. Faith without works is described as a body without breath (v. 26). If our actions provide evidence of a saving relationship with Jesus, what evidence do you see in your life, and where is he calling you to take a new step of obedience?
