# Event Hosting at Mountaintop Church

Mountaintop is more than a building — it's a place where life's meaningful moments happen. Thank you for helping us maintain a welcoming space for our church and community.

The space was so perfect, it's located in town but at the edge of all the shops and restaurants so it wasn't so hard to find and also find parking for our guests. With it being on the edge of all the action, it was perfect for pictures and fellowship without all the traffic as our guests were leaving. We had a violinist for our ceremony and there was plenty of space on the stage. The digital screen was perfect for our backdrop and didn't interfere with our ceremony arch. The ample space for tables made it possible to serve our guests dinner and even had space in the front for toasts/remarks from our guests, pictures, and dancing. We recommend this venue to all of our friends and family for any event!
