ANNUAL REPORT

2025-2026

“Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and prove what God’s will is – his good, pleasing and perfect will.”
Romans 12:2

Executive Summary

As Pacific Christian School closes out another amazing year, we are reminded of how good the Lord has been to us. Our enrollment continues to grow, allowing PCS to reach more families in the Santa Maria Valley. Our student body is solid as we continue to retain over 90% of current students, who are shaping our culture into one of love, joy, kindness, acceptance and warmth. We retained 95% of our faculty and staff, who remain dedicated to providing a safe and secure learning environment for all. Our chapels continue to be robust and energetic and the favorite part of every child's week.

Executive Summary

Student achievement remains at high levels especially in reading and math. Local high school principals have commented to our parents and students as they enter ninth grade how well-prepared PCS students are and how well-adjusted they are, both spiritually and academically. PCS students are leaders at their high schools and in the community they love.

If you want to join a wonderful and supportive parent community, we invite you to join our school family and see firsthand what the Lord is doing here at PCS.

Warm regards,

Mr. White
