Sermon Notes

John writes in a very simplistic but often profound way. While he often gets into deep theological waters, discussing things such as election, the incarnation, and salvation, he even confuses Israel's best leaders; his main point is always simple and straightforward:

"Now Jesus did many other signs in the presence of the disciples, which are not written in this book; but these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name."

John 20:30

As we go through John, we will stand on these deep truths to reach out to a world that must be born again.

True Light | John 10:22-42

I. The Claim (vv. 22-30)

II. The Defense (vv. 31-39)

III. Belief of Many (vv. 40-42)

Application: To see or not to see.
