Sermon Notes

John writes in a very simplistic but often profound way. While he often gets into deep theological waters, discussing things such as election, the incarnation, and salvation, he even confuses Israel's best leaders; his main point is always simple and straightforward:

> *"Now Jesus did many other signs in the presence of the disciples, which are not written in this book; but these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name."*
>
> *John 20:30*

As we go through John, we will stand on these deep truths to reach out to a world that must be born again.

Glory-fied **| John 12:20-50**

II. The Call (vv. 27-43)

III. The Christ (vv. 44-50)
