**How do we know Jesus
is God?**

Jesus died on the Cross to pay the price for our sins. He is the only person who has ever lived a sinless life. Because of that, His death on the Cross paid for all the bad things we've done. He did it because He loves us. Three days after His death, Jesus rose from the dead. Because Jesus defeated sin and death, we can be saved.

C

Some people think that Jesus' life began when He was born on earth, but that's not true. He is God, so He has always existed. (See John 1:1.)

Fun fact: One way that we look at history is by dividing into the time before Christ (BC) and the time after His birth (AD).

B

We know that Jesus is God because He

- Was there and involved in the creation of the world
- Never sinned even though He lived a human life like you and me
- Returned to heaven to sit at the right hand of God the Father
- The Bible tells us Jesus is God.

D

Jesus is in heaven with God the Father. He will return to earth one day so Christians can be with Him forever. See John 14:2–3.
