

1

Have all people sinned?

2

What are some of the consequences of sin?

3

Why is sin such a big deal?

4

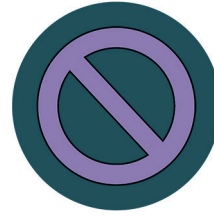

How can we be forgiven by God?

Sadness, sickness, and death are a few things that sin can cause in our lives.

Foundations for Faith—Kids—Session 4

B

Yes. Even though God created people to be good, Adam and Eve sinned by choosing to disobey God. Every person since them has also sinned.

Foundations for Faith—Kids—Session 4

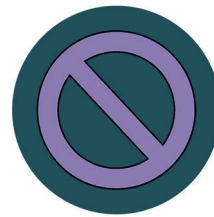

A

First, we need to recognize that we have sinned and need help. Then, we must put our faith in Jesus and make Him the Leader of our life. God is willing to forgive us when we humbly come to Him. (Romans 10:9)

D

Just because everyone sins doesn't mean that sin isn't a big deal. Sin breaks a person's close relationship with God. That can have eternal consequences.
