3 How do people know they have been baptized in the Holy Spirit?	4 How does the Holy Spirit help us?

Being baptized in the Holy Spirit changes us and helps us draw closer to God. Jesus taught that the baptism in the Holy Spirit is for everyone who is a Christian. When the Holy Spirit fills us, we will have power to share our faith, too (Acts 1:8).

D

Because He is God, the Holy Spirit is everywhere. The Bible tells us that when we are a Christian, our body is a temple of the Holy Spirit. He lives in us (1 Corinthians 6:19).

B

The Holy Spirit helps believers in many ways. He:

- Guides us to know truth (John 16:13)
- Helps us to pray (Romans 8:26)
- Gives us power to share our faith (Acts 1:8)
- Shows us our sin (John 16:8)

And so much more!

C

When the first followers of Jesus were baptized in the Holy Spirit, they began to speak through God's power in languages they didn't know. We call that speaking in tongues. Doing that is how people know they have been Spirit baptized.
