## THOSE IN THE MISSION FIELD

Chosen People Ministries

Paul & Linda Cruz (NYC/Philadelphia, PA)

The Jewish population is one of the most unreached groups in the world.

Reaching them with the good news of Jesus is nuanced and requires a better understanding of the Bible and Jewish people. We have worked for more than a century to bring the gospel to Jewish people everywhere and equip fellow believers to do the same. For over 132 years, Chosen People Ministries has proclaimed the gospel among Jewish people all around the world and trained fellow believers to reach their Jewish friends, family, and neighbors.
