UPSIDE DOWN

"If You Want To Be Strong, Admit You Are Weak"

"When I Admit I'm Weak, God Will Make Me Strong!"

"...My grace is all you need. My power works best in weakness'..."
- 2 Corinthians 12:9

SAY:

In our world, many people think it's important to be strong and powerful. They want to be the best and be liked by everyone.

God has a different way of thinking. He says that His power is strongest when we feel weak. This might seem strange to us, but it's true.

READ:

Judges 16

DISCUSS:

- Who is the strongest man in the Bible?
- Who did Samson fall in love with?
- Who paid Delilah to trick Samson into telling her the secret to his power?
- When they cut Samson's hair, what happened?
- What happened when God gave Samson strength one last time?

SAY:

God helped Samson when he was very weak. Just like God helped Samson, He will always help us too. God's strength never ends. If you want to be strong, it's okay to admit that you feel weak sometimes.

PRAY:

Pray for your children who may be dealing with difficult things in their lives. Pray that while they may feel weak or inadequate, God is strong, and He wants to help them! If they admit they are weak, He will make them strong!
