Dear Children's Church small group leaders,

Thank you for serving the children in Children's Church!!! You will join the children in Grace Park (the large area in the children's building) for worship and the Bible lesson. It will be your responsibility to shepherd them and, if needed, provide redirection during this time so that the leader leading worship or the Bible lesson can focus on leading and engaging the group. Below you will find a schedule for each age group and information about how to use the curriculum for small group time.

Schedule:

11:05ish	Kids dismissed from service	11:30	Small Group time in classrooms
11:05ish	Worship in Grace Park	12ish	Parent Pickup
11:10ish	Bible Lesson in Grace Park		

Using the Curriculum:
We will be utilizing the same curriculum (and hence, Bible passage) for Grace Groups and Children's Church. It's our prayer that this double exposure to the same Bible passage in different ways and by different teachers will allow children to know God's Word better; provide them with the time they need to process its meaning, significance and application for their lives through meaningful interaction and engaging activities; and leave them with a clear takeaway from Sunday morning's ministries.

You'll find the small group curriculum and resources for the Sunday that you're serving in this pdf. A copy of this curriculum and supplies that you request will be provided in your small group bin. This is located on the shelf above the microwave in the children's resource room and is labeled by small group.

NOTE: Please select the activities that you'll need for your group by the Wednesday before you serve. Please contact Jacob (for K-2nd grade classes) or Alicia (for PreK class) no later than 9:00am on Wednesday before you serve to request activities and/or supplies that you'll utilize for your small group time. Please include which memory verse game and lesson review game you'd like to do. The supplies will then be placed in your basket for you to use the coming Sunday.

Elements that should be used in Children's Church Small Group Time:

- ***A hands-on activity or two (e.g., game, craft, coloring page) that are found in this document***: At your request, supplies for the hands-on activity/ies will be gathered for you and placed in the small group bin. You may need to do some minimal, final prep on Sunday before children's church begins
- ***Memory Verse Game****: Instead of using this curriculum's memory verse, please use the small group's Awana verse(s) for the coming week.
- ***Lesson Review Game****: Kids may have already did this in their Grace Group, but you're welcome to do this again in children's church. The reason is that you may choose a different game than they did during Grace Group and/or each child will most likely be answering different questions than they did in Grace Groups. In order to get to the other elements of small group time, you may want to shorten the game by asking fewer questions.
- ***Prayer***: Please pray with your class.

*Lesson Review Games and Memory Verse Games options are found in the appendix located both with the curriculum in the bin for your small group. It's also found at graceplacechurch.org/servekids. Simply click on the button "Memory Verse and Lesson Review Games." If you have another game in mind, you're welcome to use it instead. The Review Questions and hands-on activity/ies that you have selected will be ready for you to use with your small group are found before the appendix in this document.
**Awana verses are found in this pdf and are organized by grade & date.

IMPORTANT: Please prepare in advance!

- Please read the passage (found on the first page of the lesson) and Prepare to Share!
- For all items that you'll need (copies, coloring pages, game supplies, etc…), please inform Jacob (for K-2nd grade classes) or Alicia (for PreK class) of supplies you need by 9 am of Wednesday prior to serving.

Thank you again for serving!

Should you need anything or have any questions, don't hesitate to reach out to us!

Review Puzzles

Materials

- ☐ Review Puzzles (following pages)
- ☐ Scissors
- ☐ Optional: glue sticks and construction paper

Instructions

Print (on card stock if available) and cut out one Review Puzzle per student or one for each team of two. Make sure to use at least one of each puzzle. You may want older students to cut out their own. Have each student complete their puzzle or put the students into teams to assemble them.

Option 1: Set all the puzzles out around the room. Assign teams of two to each puzzle. Allow one minute to complete the puzzle. Call time and have each team move to another table, mix the pieces up, and reassemble the puzzle together. Continue until all teams have rotated through each puzzle.

Option 2: Have each student cut out the pieces of one puzzle and reassemble it by gluing each piece onto construction paper.

Option 3: Have each student cut out a puzzle and mix up the pieces. Then have students trade puzzles and assemble them.

Suggested Discussion

Today is all about reviewing the lessons we've learned in the past weeks. These puzzles will help us remember what happened in those lessons.

? Who would like to tell us about the picture on your puzzle? *Allow students to share what they remember as time allows.*
