ADULT BIBLE STUDY

Cornerstone Class **Fellowship Hall B**
Taught by Ron Raymer

Have you ever wondered what Heaven is really going to be like? What will we look like? What will we do every day? As the years pass and we watch more and more of our family, friends and mentors pass away, it is only natural to ask questions about heaven. However, our understanding of heaven is often limited to a few half-forgotten Sunday school lessons and the insubstantial images provided by popular movies and T.V.

The Cornerstone class delves into the scriptural evidence of Heaven based on a study of Randy Alcorn's book "Heaven" into which he poured over 25 years of research. Join us to learn what the Bible says about the place Christians will call home for the rest of eternity.

***If you would like to join in the Adult Sunday School class via conference call, please call 612-746-7360. The conference code is 809549.**

The Discovery Class **Fellowship Hall A**
Taught by Derrick Sloan, Chris Tyler, & Bill Cofer

The Discovery Class is studying First Thessalonians. We welcome anyone who would like to join us at 9:00 A.M. in the Fellowship Hall. First Thessalonians reminds us that the people of the church are not insulated from or unaffected by the real struggles of life. However, as believers, we approach difficulties differently because of our personal, life-changing encounter with a real God through the person of Jesus Christ. Bring your Bible and join us in our fall study.
