Presenting Christ Alone as Savior and Lord

NON-DENOMINATIONAL

ADULT BIBLE STUDY

Cornerstone Class Fellowship Hall B
Taught by Ron Raymer

Have you ever wondered what Heaven is really going to be like? What will we look like? What will we do every day? As the years pass and we watch more and more of our family, friends and mentors pass away, it is only natural to ask questions about heaven. However, our understanding of heaven is often limited to a few half-forgotten Sunday school lessons and the insubstantial images provided by popular movies and T.V.

The Cornerstone class delves into the scriptural evidence of Heaven based on a study of Randy Alcorn's book "Heaven" into which he poured over 25 years of research. Join us to learn what the Bible says about the place Christians will call home for the rest of eternity.

***If you would like to join in the Adult Sunday School class via conference call, please call 612-746-7360. The conference code is 809549.**

The Discovery Class Fellowship Hall A
Taught by Bill Cofer

We invite you to discover a place to grow in faith, deepen your relationship with God and connect with others on our journey of following Jesus. On August 2nd, after our July break, we will continue focusing on the character of God, His attributes and the application of His Word to our lives as we read the book of Galatians. Bring your Bible and join us for teaching, discussion, and fellowship as we humbly learn to follow Him more closely and love Him more truly.
