#### **Please pray:**

For Malc as he plans and prepares for Village Church

For the future launch team, that they would be united and eager for gospel work in Worsley, Walkden, and the wider west of Manchester

For the people of that area who do not yet know Jesus, that many would come to faith through this new church

For Malc, Judy, Lilah and Jovie as a family, as they prepare for this significant next step

For the shared-equity arrangement, that God would provide generously and in good time

#### **Building Update:**

We are getting close to exchanging contracts on our new building. Final negotiations are underway and we have an important trustees meeting next Monday. Please be praying for us. We will be sending a fuller building-specific update in late April.
