Please pray for Layla's birth-mother. Specifically for her recovery and that she would continue to get any support she needs.

Please pray that the court proceedings happening over the next 8 months or so would go smoothly and the court would look favorably on us.

Please pray that we would care for Layla well as first time parents and that she would know God's deep love for her as she grows up.

Please pray for Layla's continued growth and well-being.

Please pray for us as we adjust to a new routine and the lack of sleep that brings.
