Jonty Rhodes - UKP Leeds

Pray for our students as they head home over the summer. They come from a whole range of backgrounds, so pray they would settle back into their home churches or find new ones quickly, pray that they'd love and honor their families well, and pray that they would bear the name of Christ well using their time to draw near to him and serve his kingdom.

Please pray for Mark as he begins as a deacon. Pray for our diaconate going forward, that the Lord would unite them, and give them the wisdom, grace, and energy they need to serve the church.

As I mentioned, many of our regular activities pause over the summer so please pray for our church life as we come into a quieter season. Pray that we'd have our eyes open for those who struggle without the same structure of formal organized activity, those at risk of feeling isolated or drifting. Pray that the Lord would give us a passion for hospitality, that homes would be open, and we'd remember God's purpose for church family.

Finally, please continue to remember Jonty and his family in your prayers. They are now in their final month of their sabbatical, so pray for good quality rest for them in these final weeks and for the Spirit to be stirring and renewing in them a passion for ministry and for the church they've been given.
