

## Consulate and Church Visits

### Visa Applications Submitted

All of our Taiwan visa application documents are submitted! We should be hearing back from the consulate some time in the spring! Thank you for all of the prayers. It was a long and challenging process but we should be nearly done! Once we get the visas back we will be able to set some hard deadlines and start counting down the days.

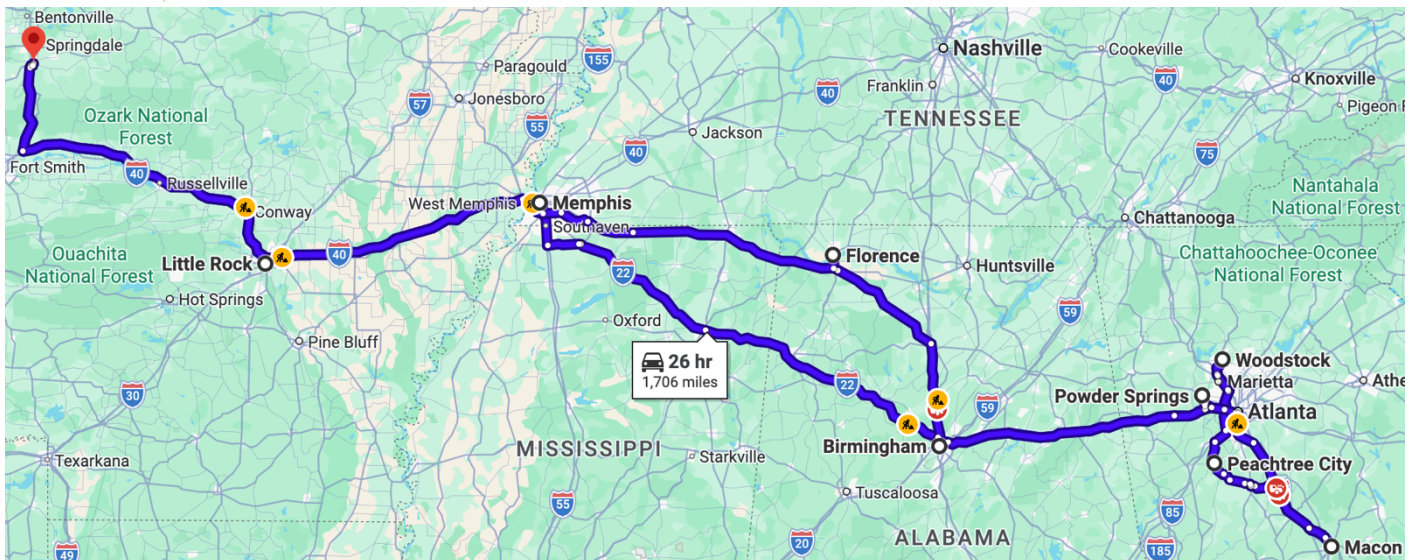

### Preparing to Move

We are officially staying in temporary places from now until we move to Taiwan. This was not our original plan, but God has provided for our needs in this transient season.

We are part way through sharing and packing our things which has made moving away feel more real. We still have a lot to do before we leave the country, but everything has been moving along well so far!

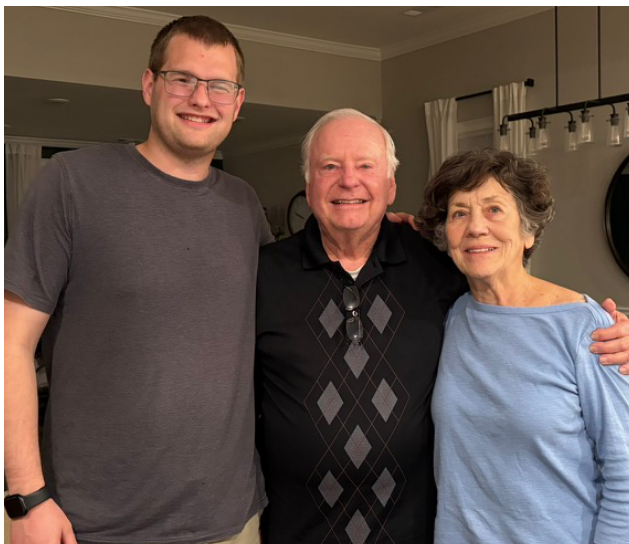

The limbo is tiring but it is making us more excited to get to Taiwan!

## Southeast Church Visits

The first few weeks of March were spent on the road visiting new and supporting churches across the Southeast! We had a blessed time with many friends old and new across five states.

We stopped in Little Rock, Memphis, Olive Branch, Birmingham, Woodstock, Peachtree City, Macon, and Florence! It was a lot of driving, but Michael traveled well so we can't complain!

We are very thankful for everyone who hosted us and took time to meet. It was a great encouragement to see how many people are going to be praying for us as we go to the field.

We look forward to visiting everyone again next time we are in the states!

## Prayer Requests

- Please pray that we would receive our residence permits so we can move to Taiwan.
- Please pray God would bless our church visits and future support raising efforts.
- Please pray that God would be preparing hearts to hear and believe the gospel before we reach Yilan.

**Thank you for the continued prayers! If you have any questions, please reach out!**
