Pray for the development of Maranatha Theological Seminary as a part of the presbytery, pastoral candidates to be able to receive diplomas that are accredited by the national church, and wisdom and patience for all of us as we work toward this and future accreditation (which as you can imagine, is a LOT of work).

Pray that the money will come in to match the \$60,000 grant offered to New Horizon Christian School, which will allow us to fulfill all our commitments for the rest of this school year, and that the Lord will give financial solvency in the future.

Pray for movement forward with more promises for the purchase of property for New Horizon.

Pray for strength and time to do all that I need to do, for the seminary and the school, as well as this summer's music institute.
