

Call To Worship

**We gather today because God exists
and because God has called us here.**

**We gather today to worship God.
We give thanks to the Lord for the
Lord is good.**

**We gather today to be formed as
God's people. To love each other as
God has loved us.**

**We gather today as the church.
We may be different but we are one:
Members of one body,
Joined by one Spirit,
Sharing one faith,
Committed to one Lord**

**And called to one glorious hope for
the future. Amen.**
