FAQs

WHAT IS A BRAND?

Simple put, a **brand is what you're known for**. It's everything that's said, written, shown, and presented to the audience. This includes the feelings our audience experiences when interaction with our brand.

First Assembly cares about having a brand because, with our multiple ministries and events, when we have **CONSISTENCY** in our branding, it leads to better **RECOGNITION** of who we are. In turn, our audience begins to **TRUST** us as an organization, **UNIFYING** our staff and church body to pursue our calling from the Lord: to make all things new! Our goal isn't simply to show ourselves off, but to represent the heart of Jesus to those within our community, which in turn lead them to relationship with Him.

OUR MISSION

TO **REACH** PEOPLE WITH THE LOVE OF CHRIST,
TEACH THEM TO LIVE BY GOD'S WORD, AND
SEND THEM TO MAKE A DIFFERENCE IN THE WORLD.

OUR VISION

TO SEE EVERY PERSON **KNOW GOD** AND
SHARE HIS LOVE.

HOW TO USE OUR VISUAL BRANDING

WHEN COMBINING 2 COLORS:

Only combine *Light & Dark* colors with each other.
DO NOT combine light with light or dark with dark.

WHEN COMBINING 3 COLORS:

Utilize the “60% 30% 10% Rule”.

- 60% of the artwork is one color (the background color).
- 30% of the artwork is one color (the focal piece of the artwork).
- 10% of the artwork is one color (accent piece(s) of the artwork).

The 60% and 30% color should follow the ‘2 Colors Rule’ (light combined with dark).

WHEN USING LOGOS:

There are 3 different logos: *Long-Form*, *Stamp*, *Icon*. Each of these logos are similar to each other, but designed for different purposes.

Stamp:

Lrg, Med, & Square Space

Long-Form:

Lrg, Med, & Wide

LOGO MISUSE:

- Stretching logo
- Shrinking worded logos too small
- Adding Stroke to logo
- Adding effects to logo
- Adding different colors to logo (NA for b&w printing purposes)
- Multiple colors in one logo

FIRST ASSEMBLY

ON SOCIAL MEDIA

Our goal is to

REPRESENT & REACH ALL PEOPLE

by including representation of all ages, stages and races using content that adds value to both believers, and unbelievers.

WHAT PHOTOS NOT TO USE

We don't use pictures of empty rooms, or moments of people who come forward for prayer. We practice this to keep their privacy and protect the intimate moment between the person and God.
