Missionary Note: Bethany Thompson - Brazil

We were given a special offering which allowed us to replenish our stock of thirteen visualized Bible stories as well as print Moses for the first time prior to an opportunity to set up a curriculum/ book table at a large conference. Baptist missionaries, pastors, Sunday school teachers from all over Brazil were present, and we praise the Lord that many of these Bible stories are now being used in new locations across Brazil. I also praise the Lord for a new print shop with quality work and better prices that we found to print these visuals. I was also given the opportunity at this conference to speak to pastors and Christian leaders about the importance of starting Christian schools and talked to homeschool families about our curriculum.
