Biblical Counseling: Please come join us as we dig deeper into understanding Biblical Counseling and how to bring it back to our church. We are dreaming of being able to offer biblical counseling within the walls of this church!! This would mean our church members and anyone is our area would be able to come to our church to receive the truth of God's word and how it applies to their problems. Do you know anyone going through a divorce, a parent who is struggling with parenting a child, someone who is depressed, or has issues with relationships? God's word has something to teach us about all of these areas. A group from our church is headed to Lafayette, Indiana, February 13-17. This is 5 day conference that covers the basics of biblical counseling. If we are going to make this dream a realty in our church we need many people who can understand and be part of the mission of biblical counseling. If this is something you feel like God is calling you to please contact Krista Bartlett at 231.878.5211.
