Matzah Recipe (Lord's Supper Bread)

- 4.5 cups of flour (plus more for dusting surface while rolling)
- 2.5 teaspoons of salt
- 4 generous tablespoons of olive oil
- 1 cup of warm water (may have to add some additional)

Preheat oven to 500°F. Mix flour and salt, then add olive oil and 1 cup warm water. Adjust with small amounts of water or flour until dough forms (not sticky). Knead into a ball and divide into 8–16 pieces. Roll each piece very thin on a floured surface, place on a parchment-lined sheet, (Leave whole or cut into squares if desired) then prick with a fork. Bake 3–5 minutes, watching closely, until very golden. If baking whole flip for even browning. Recipe from: At the Immigrant's Table, <https://immigrantstable.com/matzo-recipe-for-passover/>
