

SCRIPTURE

Read the Scriptures for the day. What verses or passages stand out to you from your reading? The simple act of re-reading, writing it out, and meditating on Scripture gives you a moment to consider what the Holy Spirit is showing you and allows God's truth to sink in.

OBSERVATION

From the verses or passages that stand out ask: What do I notice about the characters, the context, or the details of what is happening? What might the Holy Spirit be revealing to me?

APPLICATION

Consider how the truth of these verses or passages applies to your life. Is there something the Holy Spirit is putting on your heart to change? Is there anything you are led to do after this reading?

PRAYER

Pray about what you've read and how the Holy Spirit is leading you. Thank God for His truth and faithfulness. Ask Him for understanding and wisdom. Submit to the work that the Holy Spirit is doing in you through applying God's truth to your life.
