

Printmaking

Are You Ready to Make Some Printmaking Art with Mr. Daniel?

Join us for a fun and creative printmaking adventure!

Students will work with a partner throughout this exciting project. During the first week, we will learn about the history and process of printmaking. Students then will create their own designs and turn them into unique prints!

On the last day of the session, we will celebrate with a special party!

Parents are invited to join us. Please bring a snack or drink to share as we showcase the students' artwork and achievements.
