

# LESSON 11: JESUS CLEARS THE TEMPLE

Leader Guide for Grades 1 & 2

Classroom: Greenhouse Kids

 Matthew 21:12-17

05/17/2020

## Teachers Dig In

### Dig In to the Bible

- Read: Matthew 21:12-17
- In This Passage: Jesus walks into the Temple and sees people selling doves. This is causing a distraction from God in his special place, and Jesus gets mad. He turns over the tables of those selling and speaks out against what they're doing. He stands up for God.
- Bible Point: Jesus stands up for God...
- Application: ...so we stand up for God.
- Summary Verse: "Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves" (Philippians 2:3).

### Dig Deeper

- You'll Be Teaching: *Jesus stands up for God.* One distinction this lesson makes is that standing up for God isn't about judging what everyone is doing; it's about standing up when people do things *in God's name* that don't reflect him. Help kids know how to say something to other Christians when they are doing something in God's name that doesn't reflect God's heart.
- Think About: When have you seen other Christians poorly representing God's heart? When have *you* poorly represented God's heart?

### Dig In to Prayer

- Ask God to give your kids wisdom to know when and how to stand up for him.

### Quick Tip

- Jesus got mad because selling doves in the Temple was a distraction from God. Consider what elements of *your* environment pull kids' attention away from God. For example, if you have games for kids to play as they arrive, are they still in view when you start your lesson? Do you reward kids with candy or other prizes for bringing Bibles or memorizing verses? While these things may seem harmless at first, they direct kids' attention away from God at a time and place that's meant to be all about him.

### Welcome

---

#### Supplies

- Bible

#### Welcome

- Thank kids for coming.
- Just for fun, have kids give a side hug to two friends.
- Make announcements.
- Introduce new kids.
- Celebrate birthdays by having kids hop on one foot while they sing “Happy Birthday.”
- Collect the offering.

#### Introduce the Lesson

Say: **Today we’ll find out that Jesus stands up for God. That might sound like Jesus just stands up with his legs. But when I say that Jesus stands up for God, that means when people say or do things to hurt God, Jesus is brave and bold. He doesn’t join them, and he tells them how to love God instead. Just for fun, let’s start by talking about standing with our legs.**

#### Share

- Share about a time *you* had to stand for a long time. Maybe you were at an amusement park or the airport.
- In small groups, have kids share about times *they* stood up for a long time. They might share about a time they were at the mall or a store for a long time or a time they were at a carnival.
- After small groups have discussed, have a few kids share with the whole group what they talked about in their small groups.

#### Summarize

Open a Bible, and say: **You all know what it feels like to stand up for a long time—and it’s not always easy. That’s a little bit like standing up for God. Sometimes when people aren’t saying nice things about God, it’s surprising and we don’t know what to say or do. But like Jesus, we can stand up for God by bravely sharing how much we love God and how we want to be friends with God.**

Pray, thanking Jesus for standing up for God.

## Supplies

- Bible
- picture of your grandparent or someone special to you

## Easy Prep

- Place the picture under a pile of junk or random things from your room.

## Find the Picture

Say: **Oh no! I had a picture of my [person in the picture], and I can't find it. [He/she] is so important to me, and I love this picture. Will you help me find it?** Lead kids to the pile of things that are covering the photo.

Say: **I wonder if it could be under this pile of stuff.** Have kids remove objects until the picture comes into view, and then point excitedly. **Look! I think it's there.** Pull it out, and begin to speak as if you're a little upset. **I can't believe it was under all that stuff. This is an important picture of my dear [person in the picture]. I would never want to show disrespect to [person in the picture]. Disrespect is when we don't show that someone or something is very special.**

Have kids sit in a circle. Say: **I want to show respect to [person in the picture] by keeping this picture safe. That's one way I show that [person in the picture] is special and important. Do you want to see the picture?** Let kids pass the picture around the circle to look at it. Remind them that it's very special and to treat it very carefully.

When the photo gets back to you, say: **Thank you for treating my picture with care. That means a lot to me.**

## Talk About Standing Up for God

Show the Bible. Say: **That reminds me of our Bible story today. Jesus went to spend time in God's special house, called the Temple. When he got there, he saw that some people weren't treating God's special house with respect. That means they weren't treating God's special house like it was an important place.**

Share about a place that's very special for *you*.

Ask: • **Tell about a place that's very special for you.** Kids might share about a treehouse they like to play in, a special tent or play structure they have in their homes or at preschool, or a relative's house.

Say: **We all have special places, and we take care of those special places because they're so important to us. The people we spend time with in those places are important, too! That's like the Temple, God's special house. Jesus wanted it to be taken care of. It was a very special place where people could talk to God, but some people weren't taking care of it.**

Share how *you* might feel or what *you* might do if someone had made a mess in your special place.

Ask: • **How would you feel or what would you do if someone made a mess in your special place?**

Say: **None of us would feel good about it if people weren't taking care of our special places. Jesus was angry when he saw how carelessly people were treating God's house, so Jesus stood up for God. He made the people who were messing up God's house leave. Jesus stands up for God because God is the one who made us, and he's the one who gives us *everything* we have.**

## Learn an Action Play

Say: **Jesus shows us how to stand up for God, too. We can do that by telling others we love God if they say something unkind about him. We can also take care of his special house, our church. And we can help others know the true stories we've learned from the Bible. These are all ways we can stand up for God, like Jesus did.** Let's learn something fun to help us remember that. Lead kids in this action play.

Jesus always stands up for God. (*point up, nod head*)

And we can stand up for God! (*put hands on hips, stomp foot*)

**When others say or do unkind things toward God,** *(show sad face and shake head)*

**We will stand up for God by** [have kids shout out ways, such as sharing true stories from the Bible, taking care of the church, or telling others we love God]. *(put hands on hips, then cheer.)*

Say: **Jesus stands up for God, and we can, too!**

Stand Up

---

**Practice an Action Play**

Say: **Today we found out that Jesus stands up for God, so we stand up for God, too. Let's practice the action play we learned in our Bible activity to remember what that means.** Lead kids in this action play.

**Jesus always stands up for God.** (*point up, nod head*)

**And we can stand up for God!** (*put hands on hips, stomp foot*)

**When others say or do unkind things toward God,** (*show sad face and shake head*)

**We will stand up for God by** [have kids shout out ways, such as sharing true stories from the Bible, taking care of the church, or telling others we love God]. (*put hands on hips, then cheer.*)

**Ask Jesus for Help**

Say: **Jesus stands up for God, and when we're friends with him, he helps us stand up for God, too.**

Share an example of a time *you* stood up for God. Maybe someone was taking God's name in vain and you asked that person to not use God's name like that. Or maybe someone said something bad about your church, and you shared how God had taught you something through the church.

Invite kids to share about anything they need help with this week to stand up for God. They might not have anything to share, but allow a moment for them to speak up. Then lead kids in a prayer, asking Jesus for help with standing up for God.

Say: **Friends, I'm so glad you were here today to learn with us about Jesus. Please come back next week for some more fun and learning.**

### Stand Up!

---

#### Supplies

- 3x2-inch pieces of tissue paper or crepe paper (1 per child)
- marker
- inflated balloons (1 per child)
- transparent tape
- wool blanket

#### Easy Prep

- Draw a smiling stick figure on each piece of tissue paper or crepe paper.
- Using a small piece of tape, tape the edge closest to each stick figure's feet to a tabletop or floor, and leave the other 3 edges free of tape.

#### Demonstrate for Kids

Say: **In our Bible story, Jesus stood up for God. Let's use balloons to make these little people stand up!**

- Have each child stand or sit in front of a stick figure that's taped down.
- Demonstrate the experience first to show kids what to do: Vigorously rub a balloon on your hair or a wool blanket to charge the balloon.
- Hold the charged part of the balloon above a stick figure. The balloon will attract the paper and make the stick figure stand up.

#### Charge Balloons

- Give each child an inflated balloon
- Have kids vigorously rub the balloons on their hair or a wool blanket. Have kids count to 10 with you while they rub.

#### Make Stick Figures Stand Up

- Have each child hold the charged side of a balloon above a stick figure so it stands up.
- Let kids experiment and play. They can recharge the balloons and see how long the stick figures will stand up.

#### Talk About It

Say: **At first, our stick-figure friends were lying down. But the balloons helped them stand up! Like them, we can stand up for God when we're bold and brave. Jesus always stands up for God by sharing how much he loves God and helping others love and respect God, too. When we're friends with Jesus, we can stand up for God. Like the balloons helped our stick figures, Jesus will help us!**

## HIGH-ENERGY GAME

[10 min]

### Jump and Spin

---

#### Supplies

- jump-ropes (1 for every 3 to 5 kids)
- upbeat music (optional)
- music player (optional)

#### Tip

- If you used the Music Video block, consider repeating the songs from today's lesson during the game. You can find the downloadable album [here](#).

#### Jump Over the Jump-Rope

Say: **In today's Bible story Jesus saw that people were disrespecting the Temple. What they were doing distracted people from God. Jesus was upset by the distractions, so Jesus stood up for God.**

**Let's play a game where we'll avoid something that could trip us up, or distract us, like the people were distracted in the Bible story.**

- Form groups of three to five.
- Assign a Spinner in each group.
- Give each group's Spinner a jump-rope, and have the groups stand in circles with the Spinner in the center.
- The Spinner will hold one end of the jump-rope and spin in circles holding the rope low to the ground while everyone else in the group tries to jump over the opposite end of the rope.
- The Jumpers' goal is to jump over the rope before it can touch or wrap around their legs.
- Once someone is tagged or lassoed by the rope, he or she becomes the new Spinner and moves to the center of the circle.
- Give a quick example of how to spin with a rope low to the ground and at a speed where the rope isn't swinging wildly around.
- If you'd like, play upbeat music while kids play as many rounds as time allows.

#### Talk About It

Ask: • **What did you do to not get tangled in the rope?**

Say: **We can do things to avoid getting tangled in distractions that pull our focus away from God.**

Ask: • **What are things in your life that might distract you from God?** Share an example of your own, such as caring too much about pleasing other people or checking Facebook on your phone during a church service.

Say: **Standing up for God in our lives might mean putting away distractions or taking time out from other activities to spend time with God. It might mean *not* sitting with our friends at church if we know they'll distract us. When we stand up for God we can avoid the things that might tangle and trip us. Jesus stands up for God, so we stand up for God.**

### Supplies

- pool noodles (1 for every 2 kids)
- upbeat music (optional)
- music player (optional)

### Tip

- If you used the Music Video block, consider repeating the songs from today's lesson during the game. You can find the downloadable album [here](#).

### Balance Standing Pool Noodles

Say: **Today's Bible story helped us see how Jesus stands up for God. Let's play a fun game that's all about standing up!**

- Have kids find a partner, and give each pair a pool noodle.
- Allow partners to work together to balance a pool noodle between them by standing the pool noodle on the floor on one end and then letting go to see if it'll stand or wobble.
- Pairs can swap pool noodles to see if different pool noodles give them new challenges.
- If you'd like, play upbeat music while kids play as many rounds as time allows.

### Talk About It

Ask: • **What helped your pool noodle stand the best?**

Say: **You figured out ways to help your pool noodles stand up strong. I bet we can figure out ways to stand up for God, too. When we stand up for people, that means we stick with them and don't leave them behind, we say kind things about them, and we love them even when others aren't being nice to them. So I wonder...**

Ask: • **What do you think it means to stand up for God?** Share an example of a way you've stood up for God or seen someone else stand up for God. Maybe you've asked someone to say "Oh my goodness" or some other alternative instead of using God's name in a disrespectful way. Or maybe you've told others that it's true that God is real, even if someone else has told them differently.

Say: **Like Jesus did, sometimes we'll see or hear things that aren't true about God. Jesus stands up for God when that happens, and we can stand up for God, too. We can say and show the truth about God and his love for everyone.**

## Supplies

- “Toppling Tables” handout (1 per child, printed onto card stock using double-sided printing) (download [here](#))
- crayons
- yellow or gold dot stickers (several per child)

## Easy Prep

- Make a sample craft to show kids.

## Make Tables

Say: **In our Bible story, we heard how Jesus stands up for God, and we can, too. There were people in the Bible who weren't treating God's house like a special place, and Jesus didn't like it. Jesus knocked over their tables, and their coins fell on the floor. Jesus told them to love and care for God's special house. Let's make something to help us remember what Jesus did in the Bible story.**

- Have each child cut out the table on the handout.
- Have kids color the Jesus figures on one side of the handout.
- Have each child color the doves on the other side of the handout. Around the doves, kids can add yellow or gold dot stickers to make coins.
- Help kids fold on the dashed lines to turn their handouts into tables. The Jesus figure should be on the underside of each table.

### **Stand Up**

Have kids set up their tables with the doves and coins on top. Say: **In our Bible story, the people in the Temple were selling doves and collecting coins. But Jesus didn't like that, so he stood up for God. He even flipped the tables to show that what they were doing was wrong!**

Have kids stand their tables on end to show Jesus standing upright. Say: **Jesus stands up for God, so we stand up for God!**

Allow time for kids to practice using their crafts to tell the Bible story.

Stand Up!

---

**Supplies**

- "Stand Up!" teaching video (watch or download [here](#))

**Tip**

- Don't have internet in your classroom? That's okay! You can download the videos before class using the "download" button at the link provided, or just purchase this quarter's DVD [here](#).

**Discuss and Watch "Stand Up!"**

Say: **In our Bible story, Jesus did something you normally wouldn't do in a church. But he had to do it because Jesus stands up for God, and people were disrespecting God! Let's watch what happened.**

Watch "Stand Up!"

Ask: • **Why do you think it was okay for Jesus to flip a table, even though that's something you'd normally get in trouble for?**

- **Aside from flipping tables, what could you do to stand up for God?**

Say: **When we see people disrespecting God, especially people who claim to love God, we can speak up for God. Jesus stands up for God, so we stand up for God.**
