Dear , I have previously mailed (3) prophetic messages (that our God has given me to send to church and business leaders across our nation, and God has established these messages with dates, events and heavenly signs as well as stock market plunges, to establish that He is speaking to us and warning of coming judgements to our nation and church's rebellion against Him.

In just a few days, on October 21, 2015, the Lord says that day is the center of events to shake America, a "collapse" He says in our nation. This will be yet another sign of impending judgements, each increasing in intensity. Our God is doing a "New thing", and these things must take place as He begins to rebuild now to rebuild, restore Christ's church, a remnant in our nation.

I am a "foolish thing" God is using, a "voice crying in the wilderness", I am humbled by my own past and current limitations, but God has commanded me to be bold in His authority by the Holy Spirit to speak His words to everyone He directs me to.

Over the past 7 (2) years the Lord has given me a very specific blueprint, vision, plan in great detail I am to carry out as He provides people and

resources, I am completely dependent on Him. I will tell you that it starts with a cup of coffee and Starbucks is Goliath, it mirrors Christ's earthly ministry and the early church of Acts. If all this were of man, it would fail, but the past prophetic messages God has given me and fulfilled along with this message, is to wake up our nation and church that God is speaking, and that "I AM" has sent me, direct with no reservations apologies, but in humility and the full authority of Jesus Christ, the signs of verification that this is of God and not of a man.

~~I told previously that God would change my (last end of sentence) date from 10/15/18 to 10/15/15, 3 years early to the day. On 10/14/15 the Lord~~ told me that He has done that but that I am to remain in here 50 more days until 12/4/15 to work in here and out there, and a sign that this is a year of Jubilee (5776) and He is opening doors and setting captives and prisoners free, He has already done that for 6,000 Federal prisoners in 5776 as was proclaimed back since June 2015. Now, if I am a man of God, as I have said and done all that the Lord has commanded me, let me even pain down the events and dates I have declared, by the authority of Jesus Christ, in His name, King of Kings, Lord of Lords, to the glory of God the Father, in the power of the Holy Spirit.

Please keep me in prayers, as I leave here I do not know where I will go, live, or my needs and provisions, but I know God will not open the prison doors and leave me on the street. Even if I don't see it yet, He has it all worked out. Our God of tomorrow is doing a mighty new thing, all praise to our Lord Jesus Christ!
