Pastor Harold Thomas III

From the Pastor's Desk

Hello Shiloh Members,

Strategic Priority Three: Media

Our third strategic priority through 2025 is Media (the four priorities are Multiply, Mentorship, Media, and Multipurpose space). Media is not just how we receive or share information online. Media is also the outreach and relationship building in our local communities. It's one way we meet people's needs and build trust. Churches are challenged to expand their means of reaching people. Church services are no longer limited to in-person attendance at the church only. We must continue to invest in our media outreach. This includes programs beyond the worship services. The church must ask and assist its ministry leaders in developing video content for online distribution to reach people in their homes or wherever they are. In the next three years, we must continue our march to engage our membership and others online and use it as one of our multiplying and mentoring tools.

Metrics:

- By December 2022, two ministries will develop video content for online delivery
- By June 2023, start a weekly (or monthly) online TV or YouTube podcast.

Let's work together! God is able.

what you prayed for.”

**SHILOH
ADOPT A
SENIOR**

Charity Begins at Home

Our seniors are feeling a bit forgotten being away over two years. Let us re-engage them, like pen pals – send a note, call or text, send a gift, help with an errand, or arrange a meet-up. Let us remind them that we care about and miss them too.

If you are interested in getting to know a senior a little better or just helping one out, let us know at info@sdashiloh.org and we will match you up with a senior. It does not take much time; this is only a three-month commitment, but it will make all the difference in the world to you both.
