A Note from Pastor Phillips:

Thank you for coming to worship with us today. If you are a first-time visitor, I would sure like the opportunity to meet you and welcome you personally. Because I believe in a Sovereign God, I don't believe anything happens by chance. I believe you were brought here today for a purpose. I would love to help you discover that purpose, and to see if there is any way we as a church can bless and minister to you and your family. Please stop by the Resource Center after the service so I can shake your hand. I'd sure count it a privilege.

Pastor Harold

We are building brotherhood, leadership, and discipleship for Christian men who want to become the husbands, fathers, and leaders God designed us to be!

Join Conquer Tribe!

Come join fellow tribesmen every Friday at 7:30 PM for a 30-minute workout & 30-minute devotion at Pleasant View Baptist Church in Port Deposit, MD.

What To Expect Your First Time

- Go at your own pace. You do not have to keep up with anyone but yourself. Rule #1 at Men's Alliance is: Do not die.
- Dress for the weather. We're outside even in the cold snow and rain.
- Bring water (and maybe a headlamp).
- We take turns leading the workouts and devotions so it's different every time.
- We start and end on time, but feel free to come just for the devotion.

ZOE 333 CHALLENGE

**PVBC -
let's be**

DEBT FREE

As of the end of May, 2026, our Zoe building loan balance was \$264,372. At our current payment rate, our balance at the end of 2026 will be approximately 245,000, and will take another four to five years to pay off. Our “Zoe 333 - Let's Be Debt-Free” challenge is to have 400 individuals pledge \$3.33 per day for six months (July 1 - Dec. 31, 2026), a total of 184 days. At \$3.33 per day for 184 days, the total would be \$612.72 each. Multiply this by 400 people, and it equals \$245,088. We would be paid in full at the start of 2027!

Zoe 333 - LET'S BE DEBT FREE!

FIRST LEGO League
is back at PVBC!

FLL is a competition to design, build and program a LEGO robot to complete missions on a game field. As a group, we will forgo the FLL qualifier and have our own in-house competition. This allows me to open it up to students, grades 3-9. We will take lessons learned from last year to overcome the frustration of your robot not behaving as expected. For example, I will teach us how to make precision turns.

We will meet on Thursdays in September and October from 6:30 to 8:00 PM in the Zoe Center Lobby starting September 3.

I will need parents willing to stay for the duration of our meetings. Children do not have to attend every meeting to be part of the team, There is no cost to join. I am also in need of a co-coach. Please contact me (Raymond) for details.
