

# Parenting Time Room

Our Parenting Time Room is thoughtfully designed to feel like a comfortable living room – creating a relaxed environment where families can focus on bonding and conversation during supervised visits with discreet observation and audio support to ensure safety and support year-round.

## How to use our Parenting Time room

### When you are in need of using the Parenting Time room you:

- Schedule your time/times with foster family and bio-parent
- Schedule your time/times with Foster Families NRC
  - Email us at [hello@fosterfamiliesnrc.org](mailto:hello@fosterfamiliesnrc.org) to schedule a time/times with us.
  - Scan the QR code above.
  - Check out our website/app in the Worker group.
- Contact the keyholder for your agency and obtain the key
- Enter in the backdoor using key.
- Let us know you are here by signing in on the clipboard outside of the supervision room.
- Escort both parties into the Parenting Time room as they arrive & then back out to their vehicles upon departure.
- Enjoy parenting time – games, toys, food are welcome and encouraged. Items brought should leave at the end of the time.
- Clean up after parenting time has come to an end. Wipe down the furniture, take out the trash. Dumpster is found at the end of the Donation building.
- Communicate with FFNRC staff of any concerns or issues that may arise.

## IMPORTANT INFO:

- Initial Visits with child and parent should be done prior to utilizing our space to ensure all parties experience a positive visitation.
- All arrivals and departures are to take place through the backdoor. (See contract for further details)
- Do NOT open the doors for anyone that is not directly affiliated with you and your case. This does include FFNRC guests.
- Worker must clean up when finished using Parenting Time Room, trash to the dumpster, toys picked up, etc., surfaces and furniture wiped down.
- We are a weapon, smoking/vaping free property. Failure to observe this may terminate your visitations with FFNRC
