

RaiseRight Account Set-Up

RaiseRight (formerly Scrip) is a great way to buy gift cards and get rewards for your purchases. When you buy a gift card or eGift card with RaiseRight, you receive a percentage back in your VCB RaiseRight account, which can be used to pay for any VCB church event, or CCA/HEART tuition or activity.

Enrollment

1. Complete the quick sign-up form either on the website or mobile app:
 - Download the [RaiseRight app](#)
 - OR
 - Visit raiseright.com/enroll
2. Select **Join a Program**
3. **Contact the VCB RaiseRight Coordinator (see below)** for the enrollment code to tie your earnings to the church.
4. Complete the fields to create your account.
5. Enter and verify your phone number for 2-step verification (2-step verification protects your account if you forget your password or someone uses your account without your permission).
6. Set up online payment in one of two ways:
 - a. Pay online with your bank account
 - From your Account page, choose Settings > Payment Options > Add Bank Account
 - Follow the steps to automatically link your bank account
 - There is a \$ 0.15 fee on each transaction
 - b. Pay online with your credit card
 - Visa, MasterCard, and Discover accepted
 - Option to save your credit card at checkout for future purchases
 - There is a 2.6% fee on each transaction

Buy Gift Cards and Earn

1. Browse bonuses, search for a specific brand, shop categories, and more.
2. The brand gives back to VCB (which goes into your VCB RaiseRight account) when you buy a gift card—at no extra cost to you.
3. Get and use your gift cards.
 - eGift cards are delivered within minutes—view them in your Wallet.
 - Physical gift cards: VCB participants share the shipping cost for delivery of physical gift cards with each other (\$11.00 ÷ number of participants). VCB places orders on a quarterly basis in June, September, December, and March. Place your order by the 1st of these months. Many are reloadable, so you can keep earning with the ones you have.
 - Use both types in-store and online.
