God's Knowledge Given to The Church!

The professionals are telling us that man's natural knowledge is doubling every year. What does this mean to us? In our modern society today we are experiencing the greatest inventions that have ever been created by man. Because I am 77 years old, I can see where we've come from in my short 77 years living on planet Earth. I know myself that I am living in a world that I never thought could ever be 60 years ago. A man with knowledge can do things that a man without knowledge cannot. So I know what natural knowledge can do for mankind. So many people think that this knowledge increase is just because man is seeking more knowledge and that they are getting it because they desire it. This is completely wrong. God is the Creator of everything, and man is His creation. He has not allowed man to comprehend what He comprehends till the day and time we live in now. Without God opening up man's understanding, natural knowledge and spiritual knowledge are not released for man to understand. I will show you where God said that He would not let man understand things until He chooses for it to happen.

Daniel 12:4 KJV But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.

Colossians 1:9-10 KJV For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye might be filled with the knowledge of His will in all wisdom and spiritual understanding; [10] That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God;

1 Corinthians 2:9-15 TPT This is why the Scriptures say: Things never discovered or heard of before, things beyond our ability to imagine - these are the many things God has in store for all His lovers. [10] But God now unveils these profound realities to us by the Spirit. Yes, He has revealed to us His inmost heart and deepest mysteries through the Holy Spirit, Who constantly explores all things. [11] After all, who can really see into a person's heart and know his hidden impulses except for that person's spirit? So it is with God. His thoughts and secrets are only fully understood by His Spirit, the Spirit of God. [12] For we did not receive the spirit of this world system but the Spirit of God, so that we might come to understand and experience all that grace has lavished upon us. [13] And we articulate these realities with the words imparted to us by the Spirit and not with the words taught by human wisdom. We join together Spirit-revealed truths with Spirit-revealed words. [14]

Someone living on an entirely human level rejects the revelations of God's Spirit, for they make no sense to him. He can't understand the revelations of the Spirit because they are only discovered by the illumination of the Spirit. [15] Those who live in the Spirit are able to carefully evaluate all things, and they are subject to the scrutiny of no one but God.

Jesus is coming back very soon! He is now opening up man's ability to know what He knows so that He can now bring to pass all of His Scriptures that He has prophesied about ever since Adam sinned in the garden. We are living in this glorious age. Jesus is coming. Jesus is Coming. JESUS is coming! JESUS IS COMING, and many of us will probably never see physical death. Look up!! Your redemption draws near!!

I hope you come to services this Sunday at The Christian Center in Lawton. We will be preaching on this subject and letting the Holy Spirit explain more.

Love you,
Pastor Paul
