HOW DID YOUR PLAN GO?

APPLY

1. Think back to Assess question 2. How can you make a daily practice of meditating on Jesus as the truth that exposes and corrects the lies you most commonly believe? Some ideas might include memorizing a passage of Scripture, singing a particular worship song that reminds you of the truth you need to hear, or asking a Christian friend to connect with you daily about that truth.
2. How are you tempted to seek safety and security apart from the authority of Christ? What would it look like for you to seek safety and security under the authority of Christ in a practical way this week?
3. How are partnering with the church to do the work of spreading the Gospel?
