

# HOW SMALL GROUP QUESTIONS FUNCTION

## SESSION 6

### OUTLINE

Space to remember the main points from Sunday's sermon and be able to refer back to during discussion.

### REVIEW

**READ** After praying for your discussion, read together the passage from Sunday.

#### OBSERVE

Establish what the passage says and what was communicated about it through the sermon.

#### INTERPRET

Identify our shared fallen condition and how Jesus is the answer to that shared fallen condition.

- Think back to weeks 1 & 2 of the cohort. This is meant to set up the Gospel Centrality tools you learned

### ASSESS

What does the passage say about me and to me?

- How do I share in the Fallen Condition?
- How am I experiencing the Christ-Centered Solution?
- How am I not experiencing the Christ-Centered Solution?

### NOTES

### DIG DEEPER

Weekly Reading Plan

Reading to go along with the message, and explore the themes of it more deeply throughout the week.

# MUTUAL MINISTRY

## *HOW DID YOUR PLAN GO?*

**Accountability is essential for growth. Don't neglect it!**

### **APPLY**

Prompts to get us thinking about how we actually apply God's Word. We should always be leaving Small Group with a relevant action plan. The plan does not need to come directly from the 'Apply' questions, and each person doesn't need to answer every question. However, each person should have a SMART goal based on what God has shown them through the Bible Passage, Sermon and Small Group Discussion.
