A new Wednesday night parenting class will kick off August 5. Raising children is a challenge in today's world. Peers and pop culture exert never-ending pressure on kids. Every day they are bombarded with the pressures and influences of drugs, sex, and violence. Often, parents feel helpless when the corrupt principles of this defective world seem to contradict every godly

principle they try to instill in their children. The good news is that God has a plan for effectively raising children. You can learn it!
