What a blessing to see our community come together to make a difference!

During our Homecoming Parade Afterparty, our Faith Family and community had the opportunity to support Backpack Buddies, and thanks to your generosity, we were able to present a $2,000 donation to help support their work in our community!

We are so grateful to everyone who came out, supported the food trucks, enjoyed the festivities, and contributed to this effort. Thank you for helping us turn a fun night together into an opportunity to give back and serve others. We're thankful to be an active part of a community that cares for its neighbors.
