Dear Praying Friends,

(excerpts from a recent letter)

2025 has gone now and we are still reflecting on what a year it was. It's always good to look back, to remember God's faithfulness and to call to mind His manifold blessings. This past year had times of stretching and also times of great encouragement. Through it all, you have been praying and giving. Words cannot adequately convey our gratitude. As our partners in ministry (Phil.1:5), God has answered your prayers and has given us the grace, strength and determination to keep going.

Until May, we are living in our co-workers house while they are in the USA on furlough. They will return near the end of May from their furlough and we are beginning our furlough in early May. For the six or seven months that we will be in Canada and the USA, we will be without a permanent address, and our plan is to purchase a home we can call our own once we return to the mission field. Pray for that plan - it is all subject to the will of God, but we believe it is the wisest financial choice for us at this stage of our life.

During November and December we continued having fun and discipling the teens from our church. The group is not large - usually 3-5, but we are enjoying each others company, laughing together and sharing in the Word. We've had numerous teens visit and some have returned. Pray for the youth of Knysna West Bible Church - we are building the future leaders of our church through our youth outreach.

The counseling ministry has continued unabated. This year we reached more people than ever with the life-transforming scriptures. From depression to rape, from garden-variety counseling issues to deep and abiding sin issues, counseling is perhaps one of the most fruitful ways to reach people here in South Africa. Some of the people are from our church, some from the community, but the counseling ministry continues to grow and expand. Please pray for these counselees. Their needs are different in each case, but in every case the Word of God has the answers we need. We covet your prayers for progress, growth and real change.

We also wanted to make a special announcement regarding our building. Our current location is fine, and the price is good, but there is no opportunity for extending our ministry outreach because it's a rented facility...and that rent is only for a few hours on a Sunday. We have identified a property, met with the owners, and we have voted as a church to pursue a purchase of the property. We believe this is the place that God has for us. In the meantime, we are going to make a proposal regarding the rent of the property. Please pray that this proposal will be accepted. Also, please pray as we raise the funds that we need to purchase the property. There is a building fund set up at Baptist Mid Missions, if you are able to give. Perhaps your church would even consider a special offering to help us reach this goal. Thanks for prayerfully considering this important step in our church's life.

Two pages of typing is hardly enough space to detail the blessings of God. He has truly done abundantly above all that we could ask or think (Eph.3:20-21). Your partnership in the gospel has enabled the Word to go out and the work to continue and expand. Thank you!

Herb and Janet
