Friends of Music

Music is at the heart of our Christ Church community and is one of the primary ways in which we worship, love, and serve our Lord Jesus Christ. Under the direction of Scott Hanoian, our choirs sing at over 50 choral worship services every year, including Choral Liturgies on Sunday mornings and Choral Evensong on select Sunday afternoons (September through the beginning of June). The choirs also sing at special liturgies, including the Advent and Epiphany Processions, Christmas and Easter Lessons and Carols, the Feasts of the Presentation and Ascension, and the triduum liturgies in Holy Week.

Our choirs, as well as guest artists from the surrounding area and beyond, also participate in our yearly concert series *Soaring Sounds in a Sacred Space*, which includes performances of many of the great works for chorus and orchestra.

For more information about any of the Christ Church Choirs or the concert series, where to buy tickets, or how to join Friends of Music (thereby receiving complimentary concert tickets according to your level of membership), please contact Scott Hanoian, 313-885-4841 ext. 102 or music@christchurchgp.org.

**2026
2027**

Dear Friends,

It is with great excitement that I present the 2026-27 season of *Soaring Sounds in a Sacred Space* at Christ Church Grosse Pointe.

Our program this year includes performances of Handel’s *Alexander’s Feast*, David Lang’s *the little match girl passion*, Georg Philipp Telemann’s *Der Tod Jesu*, Vaughan Williams’ *Dona nobis pacem*, and concerts from our special guests, the Lakeshore Chamber Singers and Opera de Metro.

The Christ Church music program, with its roster of talented choirs and extensive musical offerings, is a treasured ministry of our community. We can continue providing first-rate music only through the assistance and enthusiasm of our supporters.

To bring world-class music to Christ Church and the community at-large, we rely on your generosity. Please consider supporting our offerings with your presence and, if possible, by contributing by scanning the QR code.
