Greetings Pastor,

Thank you so much for taking great care of our missionaries when they travel through Kentucky. Since we changed the scheduling process, God has truly blessed us as we bless our missionaries!

Open scheduling is available for one month (**October 28th - November 28th**), at that point I will complete the schedules for our missionaries by scheduling at least two services or hostings or offering only connections for each church in Kentucky. We want to work with pastors and try to make this process better every year. We will have the 2023 deputation schedule for our **23+ missionaries** coming to Kentucky completed before the end of this year. After it is finished I will send out a notice of completion. We will do our best to make any adjustments necessary before January 1, and we are always able to adjust if an emergency arises during the year.

Because of I AM GLOBAL, we are sending our Global Missionaries back to the field in the shortest times ever recorded. This means that when you are selecting your missions service date/time you need to be more sold on the date than on the specific missionary, as that missionary could possibly be replaced with another one if they are able to go back to the field quicker because of finishing their deputation sooner than expected.

This year, **all of our scheduling will be done online.** (See the link and QR code below). If you are not able to do this yourself or have any questions, please do not hesitate to call me and I will schedule online for you. This helps us make sure the services are available. If you aren't able to host or have services, would you please consider sending at least a \$200 offering to "KY U.P.C.I. Global Missions" so we can use that money for empty places on the missionary schedules? Your church would get credit for the offering. (A return envelope is enclosed for just this purpose).

If you choose not to participate with Global Missions in Kentucky, you can opt out of the automatic scheduling by filling out the online opt out form (at the bottom of the scheduling page) by November 28th, 2022. Thank you in advance for helping us out.
