Because You Gave, Lives Were changed

At Celebration, we believe we're called to make a difference here at home and around the world. Through Legacy Missions, your generosity helped send teams, support partners, and reach people with the hope of Jesus in 2025.

Where We Went

Each trip was more than miles traveled. It was eternity in motion.
Lives changed, the Gospel advanced, and the Church strengthened across nations.

Belize (Freedom Conference)

Partnering with First Love Church and local pastors, our team hosted a Freedom Conference that reached 220 people. Lives were set free, and local churches were strengthened in the message of freedom through Jesus.

Ecuador (Freedom Conference)

In Quito, a small team led a Spanish-language Freedom Conference with Cumbre Alta and The Bridge Church, impacting 90 people. Worship, teaching, and prayer created a space for lasting spiritual breakthrough.

Uganda (The Mandate)

Serving in schools and communities, our team shared the love of Jesus through teaching, prayer, and hands-on projects. Every moment reflected hope and the heart of God for His people.

Honduras (Jungle Hospital)

Medical professionals and volunteers joined together to bring care, healing, and encouragement through the Jungle Hospital. Physical needs were met, and eternal hope was shared.

Chicago (Celebration Youth)

Our youth team served across the city through outreach and ministry. Students grew in boldness, discovering what it means to live on mission and share Jesus with others.

El Salvador (Christmas Shoebox Trip)

Families from Celebration helped distribute hundreds of Christmas shoeboxes with local pastors. Each gift shared the Gospel and brought the joy of Jesus to children and families.

Belize (Summer Serve Trip)

A small team returned to reconnect and serve alongside our friends in Belize. Continuing relationships there reflect the power of steady, faithful mission work.

Japan (Gospel Access Initiative)

We connected with Gospel Access Initiative, a ministry focused on sharing the Gospel in one of the most unreached nations in the world. The trip was a meaningful time of connection and vision, exploring opportunities for Celebration to partner and invest in what God is doing in Japan through local churches and college campus outreach.

Budapest (European Initiative)

This November, a team will partner with local churches in Hungary and Romania to share the Gospel through creative outreach. We believe lasting revival will spark across Europe.

LEGACY *in* ACTION

Because of your
generosity, we were able to....

- Strengthen and resource our global partners
- Meet practical and spiritual needs in communities around the world
- Help send people who stepped out in faith to go

Every dollar given to Legacy Missions goes toward sharing the Gospel and building God's Kingdom in places that need it most.

A STORY WORTH CELEBRATING

"Honestly, I wouldn't have been able to go on my missions trips if it weren't for the generosity of our church through Legacy Giving. Because people gave, I got to step out, see God move in new ways, and be part of something so much bigger than myself. It changed my life and deepened my faith, and I'm just so thankful to be part of a church that gives so others can go."

"Seeing children and adults in Uganda so hungry for God reminded me that what we do on these trips matters for eternity."

As we step into 2026, we're believing for even more open doors, more stories of faith, and more people reached through Legacy Missions. Thank you for being a part of what God is doing through Celebration Church.
